ECO-GL055PM

Solar Bollard Light

Introducing ECO-GLO55PM, a premium lawn light designed specifically for the mid-to-high-end market. Inspired by the shape of the World Cup, ECO-GL055PM features an angled solar panel design that enhances its self-cleaning capabilities through rainwater runoff. The high-powered solar panel ensures substantial brightness, making ECO-GL055PM an outstanding choice for illuminating your outdoor spaces.

Installation is straightforward and versatile, allowing you to easily mount it on lawns, walls, fences, or docks.

ECO-GLO55PM combines aesthetic elegance with functional excellence, providing a sophisticated lighting solution for discerning customers.
